Subject: Performance Review and Recommendation for Mr. Vedang Ratan Vatsa

To whom it may concern,

I have been consistently impressed with Vedang's attitude and productivity during the time that he worked with me for 'Civic Tech Connect 2018'. He was able to understand our requirements quickly and offered his suggestions as and when required. He went out of his way to complete the task assigned to him in the limited time.

Vedang is both very bright and quite motivated. I am confident that he will devote himself to a position in any organization with a high degree of diligence. He is a quick learner and has shown the ability to digest large volumes of information.

Based on my assessment of Vedang Ratan Vatsa's performance, I am very comfortable to recommend him for any job that requires strict deadlines, taking on new challenges at short notice and dealing with altering priorities, efficient client communication and good analytical capabilities.
